CHAPTER III

CENTRAL INTELLIGENCE AGENCY

The conference committee approves of \$49,000,000, the amount allowed by the House of Representatives and the Senate for construction of the headquarters for the Central Intelligence Agency. The committee directs that the Agency make every effort to construct a building to accommodate all of its headquarters personnel within the sum provided, and directs that none of these funds be spent in such a way as to make it necessary for the Congress to authorize additional funds at a later date. The committee further directs that none of these funds be obligated or spent until the Director of Central Intelligence has obtained from the appropriate local authorities written commitments for the construction of roads, sewage treatment plants, public transport, and other local facilities which are deemed necessary to serve the site selected.
